

APEGBC 2010 Annual Conference & AGM

Connect. Innovate. Inspire.

Whistler, British Columbia

October 21-23, 2010

Join us as we celebrate the accomplishments in the professions of engineering and geoscience at the APEGBC Annual Conference. The 2010 Annual Conference and AGM will be held in beautiful Whistler, British Columbia from October 21-23, 2010 at the Whistler Conference Centre. As BC's premiere engineering and geoscience event, the Annual Conference and AGM are sure to offer participants valuable opportunities to network with leading professionals.

Professional Development

Our comprehensive program includes two days of professional development, combining industry-leading technical and business sessions. An extensive Trade Exhibition and numerous social events will give you the perfect opportunity to network with colleagues and suppliers while enjoying the majestic mountains of Whistler, BC.

Accommodations

The 2010 Annual Conference and AGM will be held at the Whistler Conference Centre in Whistler, BC. Special APEGBC conference delegate rates will be offered at the Westin Whistler Resort & Spa. To make a reservation, please contact the Westin directly and quote the group name: *Professional Engineers and Geoscientists of BC*.

Welcome SEA Delegates!

APEGBC welcomes delegates from the **Structural Engineers Association** to BC's premier engineering and geoscience event. Our comprehensive professional development program includes a **structural engineering stream** on Friday, October 22.

About Whistler

Whistler offers a great variety of indoor and outdoor activities. From hiking, biking, skiing, dining, shopping, or getting pampered at the spa, Whistler has something for everyone.

The 2010 Olympic and Paralympic Winter Games have come and gone but the spirit and energy live on in Whistler. With exciting legacies like the Whistler Sliding Centre, Whistler Olympic Park and Whistler Medals Plaza, the Games will forever be a part of Whistler's tapestry.
