SEAW REFRESHER COURSE 2010

August 5—September 14, 2010, 6:30 – 8:30 PM

Room 238, Mechanical Engineering Building, UW Seattle Campus

SEAW REFRESHER COURSE

The SEAW Refresher Course is designed to assist engineers preparing for the NCEES Structural II and Washington State Structural III license examinations.

Twelve two-hour lectures will be presented by experienced structural engineers from the Seattle area. Sessions are held on Tuesday and Thursday evenings on the University of Washington campus.

Registrants will receive a notebook containing comprehensive notes for each lecture and a PDH certificate upon completion of the course. Each session is valued at two PDH's.

HALF REFRESHED OPTION

Already licensed? Just want to brush up on your skills? Choose any six sessions for a reduced rate. Whatever your level of experience or number of licenses, you will appreciate this opportunity to learn from the masters. Choose any six of these terrific presentations. Meet your friends and colleagues. Get some PDHs.

CAN'T ATTEND?

Order the course notes by July 30th and they will be shipped to you on CD the first week of the course. (local sales tax will be added to orders shipped to Washington addresses)
