

\$3,000 STRUCTURAL ENGINEERING SCHOLARSHIP

Attention Structural Engineering Majors:

The Structural Engineers Association of Washington (SEAW) is offering a **\$3,000** scholarship to a current college or university student studying Structural Engineering and planning to make his or her professional career in the practice of Structural Engineering.

Requirements of Students applying for the SEAW Scholarship:

- Official resident of the State of Washington. Residents of this state attending schools in other states are eligible. Students attending in-state schools on a nonresident basis are not eligible.
- A senior undergraduate or graduate student at the time of application.
- Enrolled in a program of study majoring in Structural Engineering.
- Having a commitment to making a professional career in the practice of Structural Engineering.

How to Apply:

- Obtain application materials from the SEAW website:
http://www.seaw.org/resources_education.cfm or phone 206/682-6026.
- Have all documents submitted to the SEAW office by March 31st to be considered for the current year's scholarship award.

How the Scholarship Award Recipient is selected:

From qualified students submitting applications, the SEAW selection committee will determine those to be interviewed. Those applicants to be interviewed will be notified by April 8th, and interviews will be scheduled. Only those interviewed will be given further consideration. Final decisions relating to all matters of eligibility and award of the Scholarship rests solely with the SEAW selection committee.

Scholarship recipient(s) will be announced in April.
