Mid Columbia Science Fair

For some years our chapter has supported the regional schools science fair by donating prizes and with members offering service as judges. This is a great opportunity to influence the interest of our youth in the sciences.

Many judges are needed on Thursday, March 9, 9am-2:30pm at Columbia Center Mall. Any support that can be given would be appreciated.

To sign up, go to <http://www.mcsf.net/index2.html>, click on "Judging" at the left, and then go to the "Online Judging Sign-Up Form". The site also describes the judging process.

Members that participate in judging will also have a voice in selecting winners for prizes given by our chapter for the event.
